Hints

① To go from two words to one letter, u should go read the prompt again

→ go to bottom of page for another hint

② This puzzle leverages the idea that certain words can be split up into: word-letter-word, eg. populate can be split up: pop-u-late, where pop & late are words separated by the letter u, i.e. the middle letter.

The 16 words provided can be combined with middle letters to produce 8 words.

Then, the 8 middle letters will unscramble to the final solution.
